Letter of recommendation

To whom may it concern,

I am writing to provide a letter of recommendation on behalf of Panasonic Marketing Europe GmbH South-East Europe Branch Office regarding our partnership with Ventosus Kft over the last fifteen years.

We have collaborated with Ventosus on a number of HVAC design solution projects, and based on our experience which we obtain the below projects we would highly recommend them for any such projects.

Throughout our partnership in the below projects, Ventosus has consistently demonstrated their expertise in HVAC design solutions. Their team is made up of highly skilled professionals who possess a deep understanding of the latest technologies and design practices. They are always on the cutting edge of the industry and are able to deliver innovative solutions that meet the unique needs of the clients.

What sets Ventosus apart is their attention to detail and their commitment to quality. They have a thorough understanding of the project requirements and work tirelessly to ensure that the end product meets or exceeds the expectations of the clients. We have worked on the below projects together, and for those projects Ventosus has always delivered high-quality designs that are practical and functional.

In addition to their technical expertise, Ventosus is also known for their excellent communication and project management skills during the below projects.

Based on our extensive experience working with Ventosus KFT, we recommend their services for any HVAC design solution projects.

Projects list where Ventosus engineering team and Panasonic sales engineering team worked together:

- Hungary, Kecskemét, Bács-Kiskun County Government Office central building
- Hungary, Szeged, Cédrus residential condominiums
- Hungary, Szeged, Pediatric Clinic and SBO
- Hungary, Szeged, Vitéz utcai nursery
- Hungary, Szeged, Bagoly utcai nursery

Sincerely,
